**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a previous customer of DSL and was then connected to SONIC fiber I implore you to deny the request by AT&T and US Telecom to take away access to unbundled network elements. This in order to further competition and allow us to chose a carrier that more perfectly suits our needs. Smaller companies can more easily customize their services to the particular needs of customers . I am a satisfied customer of Sonic and hope you will see the benefit of supporting broadband competition and competitive fiber deployment.

Sincerely,

Anna Steeves
